

## Website

- 1-Car make form for models not complete
- 2-down the logo(goldenx stands as the UAE's foremost platform for automotive transactions, streamlining the buying and selling experience.)
- 3- the classic cars should be changed to modern cars like one range rover and other g class
- 4:sold vehicles are not showing in the home page
- 5: inspection cost should remove the 59 euro and put starting from 350 aed
- 6: inspection form when it submit showing code page
- 7- search button not working
- 8-in buying section Exterior features should be added more and interior )  
Seller information  
Instead of premium car collectors put premium car company
